Turntide Vision XOi Workflow Overview

WORKFLOW	NAME	WHEN USED	PURPOSE
01	Remote Monitoring Kit (RMK-EMK) Installation	Per RMK	To capture information like serial numbers and passwords for the RMK components. This also ensures proper installation procedures were followed.
02	Turntide Motor Installation and System Startup	Per Motor	To capture information like serial numbers and passwords for the Smart Motor System components. This also ensures proper installation procedures were followed.
03	Site Completion	Per Site	To capture information on man hours spent installing each portion of the Turntide Smart Motor System.
Each installation site will require workflows 01, 02, 03. (Workflow 02 is per motor) *EXAMPLE: A site with 1 RMK and 4 motors would have 6 workflows (WF01 for RMK, (4) WF02 for motors, (1) WF03)*			
04	RTU Equipment Survey	Per RTU	To capture the information needed to properly select Turntide products for retrofitting that particular unit.
05	Site Survey	Per Site	To capture information about the site. Unit locations, roof access, etc.
Each site surveyed will require workflows 04, 05. (Workflow 04 is per RTU) *EXAMPLE: A site with 4 RTU's would have 5 workflows (WF05 for site, (4) WF04 for RTU's)*			
06	Repair Required for TT Installation	Per Repair Required	To capture information on any repairs that must be completed prior to the installation for Turntide products. Example: Compressor #1 doesn't function.
07	Existing Equipment Issue Report	Per Issue	To capture information on and existing piece of equipment that you'd like for Turntide to know about. Example: Unit #1 disconnect is locked in the OFF position.
08	Turntide Component Replacement	Per Component	To capture information like serial numbers and passwords for the RMK components.
09	Induction Motor Disposal	Per site	To capture an image of the motor disposal certificate.
10	AHU Equipment Survey	Per AHU	To capture the information needed to properly select Turntide products for retrofitting that particular unit.
11	Other Information	As Needed	Anytime you want to submit non-public information to Turntide about a site or piece of equipment. Example: The manager was extremely rude and difficult to work with.
